Dear Alfonso,

We had a very good tour of several cities and a good part of Southern and western Spain, Morocco and Portugal. Thanks for leaving the trophies and CITIES papers at the hotel. Everything was in order. I wrapped the trophies in heavy plastic and roped them up even tighter (they probably were O.K. the way they were) and shipped them home as baggage. They came through without a hitch.

Jeanne + I want to thank you for a great time at your ranch and a good hunt out in the hills. That Fallon Deer is unbelievable. I guess I'll have to come back again and get that huge Spanish Red Stag I wanted.

I'm using this informal note to invite you to our mini-convention meeting in Seattle on Jan 27, 1989. Shortly you'll

be receiving a formal invitation from my Program Chairman, Kent Klumburger, who you know, telling you about the meeting and extending our offer of hospitality and thanking you for the donation of the 1990 Fallon Deer hunt.

You'll have a table (free of course) and a place to hang a few pictures, or set up a video display and you'll also be asked to make a 5 min talk to the group if you choose to.

Either Don Morin or I will give you a place to sleep & eat and we'll arrange to pick you up at the airport as well.

Not much more. Please let us know about your plans.

Best regards,

Doug Robinson

P.S. I kept using my poor Spanish and it kept getting better & better. I was the only one in our group who could talk with our Spanish Bus driver and it got so I was doing all the ordering in restaurants and such. If I was there for a while, I'd get so I could do O.K. ECR
