IMPORTANT: Please complete this section of personal views —

1. Did you encounter any problems?

none

2. Personal highlights —

My wife was able to accompany us on all the hunts which she enjoyed. I shot 2 fine trophies and saw many more.

3. Comments on performance of guide —

He was a good driver & knew his game. He done a lot of glassing to evaluate the trophies. He understood very little English which was a small problem.

4. Comments on performance of outfitter —

very well organized

5. General comments, interesting sidelights, etc. —

We enjoyed seeing the small villages, cattle ranches, stone walls, trees and plants that we had never seen before, also visited churches and old buildings.

6. Would you recommend this hunt to other SCI members? YES ✓ NO —

(Please explain in either case)

We saw a lot of Maunflansheep some very good so if someone wants a good sheep this would be a good place to come.
